

GOOD TO KNOW

COVID -19 STATEMENT

As there is serious evolvement of the COVID-19 situation, the Fédération Internationale de Camping, Caravaning et Autocaravaning AISBL (F.I.C.C.) noticed that full or partial travel restrictions have been and continue to be introduced in all parts of the world.

These actual decisions are made to preserve the health of everybody which is of primary importance.

This epidemic disease affects every level of our society and we send our best wishes to those affected.

The restrictions have already slowed the economy worldwide and made all kind of tourism vulnerable. This is also a very hard hit for the camping sector.

People first

The COVID-19 outbreak is an unprecedented threat that affects us all in the world.

In response to this, F.I.C.C. is implementing public health protocols based on the recommendations of the World Health Organisation (WHO)

We are all in the same situation and will go through this together for an even better camping and outdoor life

As the number of cases is growing also in Belgium and the restrictions imposed by the Government but also following our social responsibility and caring for the safety and wellbeing of their families, the F.I.C.C. personnel will be working from home until the end of March.

We wish to inform you that we are continuing working to ensure the normal communication and collaboration between our members and we will privilege the E-mail communication at this moment.

Stay home – but travel tomorrow

According to WTO tourism and especially outdoor tourism is uniquely placed to lead future recovery. Our sector will provide the jobs people need to bounce back and will drive economic growth that will help whole communities and countries to recover.

But for now we must be patient and stand ready. By staying home today, we can travel tomorrow. Travelling tomorrow will support jobs, celebrate culture and promote international friendship and understanding.

F.I.C.C. recommends to follow your Government advices.

STAY HOME – BUT ABOVE ALL STAY HEALTHY

Joao ALVES PEREIRA

F.I.C.C. President
